

Circuit Foil Luxembourg (www.circuitfoil.com) is a world-class producer of copper foils for the electronics industry with subsidiaries in Canada and China and with sales offices in North America and Hong Kong. Typical copper foils are obtained by electro deposition. Established in Wiltz, in the North of the Grand Duchy of Luxembourg since the early sixties, our broad foil portfolio is used by the major laminators and printed board manufacturers in Asia, Europe and North America. Circuit Foil Luxembourg is a subsidiary of Doosan Group, a South Korean Manufacturing Group of 40 000 people and 15 billion USD revenues.

To reinforce its production activities,
Circuit Foil Luxembourg offers the following position:

SHIFT ENGINEER (m/f)

Your responsibilities:

- After a practical training period, you will be part of our production team.
- You will work on 4 shifts and manage a team of around 20 operators (organization, reporting, training, audit...).
- You will be in charge of the follow-up of the production (including the prevention of defects and downtimes) with a view to increase yield and productivity.
- You will analyze and suggest improvements at various stages of the process for a better performance.
- You will be responsible for the respect of the safety, quality and environment procedures by your team.
- You will be required to work closely with the EHS, Quality, Continuous improvement, R&D and Engineering departments.
- A change of position after a few years is not excluded.

Your profile:

- You have successfully completed a Master or Bachelor Degree in Electro-Mechanics or in Mechanics or in Chemistry.
- You are fluent in French and English.
- You have good IT skills (at least in PowerPoint, Excel and Word).
- You have good communication skills as well as team spirit.
- Experience of people management is a plus.
- A few years' experience in an industrial environment are welcome.

We offer a permanent contract based on a full time presence as well as good salary conditions in an international environment.

Curriculum vitae In English and French with application letter should be addressed to:
