Plastic Quality Engineer

First Brands Group, for its wiper division TRICO, is searching a Plastic Quality Engineer. The position is based in the Manufacturing and R&D center located in Aubange – Belgium. Our team of around 200 people designs, develops and manufactures wiping solutions for the original equipment of the world's leading car manufacturers.

Reporting to the SQHE Manager, the primary function is to cover all the plastic manufacturing processes quality aspects.

Position main activities:

- > Ensuring the daily reporting of quality issue/success from production (start of production, new batch, restart after unexpected stoppage) in collaboration with the manufacturing team.
- > Acting as quality technical referent for internal/external complaint from the root cause analysis up to the implementation of the corrective actions, included the tracking of the activities in the associated IT tracking tools.
- > Coordinating with the manufacturing & logistic team the issue solving in the respect of internal procedures.
- > Exerting the authority to avoid the shipment of defective products, to stop processes generating defective parts or excessive health, safety and environment risks, and to obtain the implementation of corrective actions, with immediate information of the management.
- > Managing supplier quality topics: collect the evidence, launch the problem-solving, write the reject/protest report and issue the complaint. Ensure that the answer is delivered on due time with the right level of expertise. Be part of the yearly supplier assessment and can potentially attend audit within the supplier when needed.
- > Being part of the Aubange internal auditors team.

Required Skills:

- > Education in technical field - Specialization in plastic process is an asset.
- > Knowledge of quality basics (ADMEC/FMEA, 8D,..), automotive core tools are an asset.
- > Ability to synthesize complex situation in a didactic way.

- > Ability to simultaneously manage projects with various priorities.
- > Excellent interpersonal skills and team spirit.
- > Fluent in French and English. German and other languages are an asset.
- > Good practice of MS Office (Word, Excel, Powerpoint).

Trico is offering as well :

- An attractive salary package in line with your experience, including extra-legal benefits and group insurances.
- Holiday package and work flexibility to balance work and personal life.
- Additional training and individual development programs to promote internal mobility and tailored career paths.
